Dear *Mr. Wolfe,*

A sincere **"thank you"** for your generous support of this year's bursary/scholarship fundraiser for the students at Contact School.

As you may have heard our event this year "Our Community – Our Future" held on October 6th, was interrupted when Deputy Chief Keith Forde collapsed. I'm happy to report he is doing well and recovering quickly. We subsequently held a second night to finish the silent auction on October 27th.

This year's recipients – Clarisa Pessoa and Dylan Moon are both first year students at Centennial College in journalism and advertising respectively. They are two very deserving students. This scholarship provides them with some financial support to enable them to continue their education beyond high school.

In this our third gala, we are delighted to report that we raised over \$15,000. This brings our three year total to over \$48,000. We are very pleased with this level of support from our community through financial and in-kind donations!

Again thank you so much for your generosity!

Sincerely
